Principal's Message

I am extremely happy that our college is bringing forth its first bulletin highlighting our academic achievements and previous milestones. The range of the bulletin is wide and it covers our various seminars and workshops to UGC, NAAC programmes and community service. It is gratifying to notice the honours and awards received by our faculty as well as achievements of students. Sweet memories are evoked as we go down the memory lane. I wish the bulletin and its architects all my blessings.

Dr. P.A. Fathima

M.E.S KSHEMASAMOOHAM ... tour de force of 2008

The M.E.S Kshemasamooham was a new venture into the field of social extension work by the college. The programme was conceived and orchestrated by the IQAC of the college for taking the student community into social service in a big way. The programme also intended to project the expertise of our college in various fields of knowledge which could be used for the benefit for the public at large. The programme was organized with the liberal financial assistance of the College Management and the college sought the active participation of the Vazhakkulam Block Panchayath as well as the six Grama Panchayaths viz., Choorikkara, Edathala, Kizhakkambalam, Vazhakulam, Keezhmadu, and Vengola. All the major departments formed themselves separate groups and the newly started departments grouped together to form one 'allied department'. The programme was formally inaugurated at the Vazhakkulam Block Panchayath on 21st November 2008 by the MLA of Aluva Sri. A.M. Yusuff. The programme was from 24th to 26th November, 2008.

The Department of Electronics conducted a workshop on circuit assembling & computer hardware. The cleaning of MES Edathala special school premises, Kizhakkambalam Govt. L.P School premises, socio-economic survey of ward 5 of Edathala, ward 18 of Vengola, and ward 13 of Kizhakkambalam, Homoeopathic camp at Chooracode were the main activities of the Electronics department.

The Department of Computer Applications conducted computer awareness programmes at Choorikkara, Keezhmadu, and Edathala for socially underprivileged groups. Yoga sessions were held in all these panchayaths supported by self-help groups. A homeopathy camp was conducted at Choorikkara. Cleaning of library and school premises of the visited areas was also done everyday.

The Department of Biotechnology conducted various programmes at locations like Kizhakkambalam, Vazhakkulam and Vengola panchayaths. Blood group identification and water sample analysis were conducted in all panchayaths. Sessions on 'biofertilizers and their uses' were conducted. An Eye-check up camp was conducted at Perumani, with the help of the doctors from Vasam Eye Care Hospital, Ernakulam. Over 150 patients attended the camp. Moreover, the cleaning task was also taken in a big way in these areas.

The Department of Business Administration conducted Medical camp (dental), seed distribution, and social survey at the Vazhakkulam Panchayath. Road cleaning, and Legal awareness class were organized at the Choorikkara Panchayath, The department also organized Legal awareness class for the Kudumbasree unit ladies at the Keezhmadu Panchayath.

The Department of Commerce conducted a dental camp in Noorul Islam Madrassa hall, in Keezhmadu Panchayath. Training was given for soap powder manufacture to Kudumbasree unit women. Value-based education session was provided to Govt. L.P. School students in the Kizhakkambalam Panchayath. Extensive cleaning programme was done at Palakkattuthazham in Vazhakkulam Panchayath.

The Allied departments consisting of English, Physics, Mathematics, Arabic and Physical Education conducted an Ayurvedic medical camp in the PHC, Edathala. More than 100 patients came to the camp. The allied department conducted an Energy conservation class for Kudumbasree women by inviting a resource person from KSEB at Choorikkara. Seed distribution was held at Chembarucky and Choorikkara.

Undoubtedly the MES Kshemasamooham was a whopping success.

Dr. P.A. Fazal Gafoor, State President, MES visits the campus

... here the spirits never die out

programme on Stress Management last year. The resource person was Dr. Girish Patel, Psychiatrist, Mumbai.

Department of Electronics conducted a talk on Advances in Fibre Optic Communication on 27th November last year. The Resource person was Dr. V.P.N.Namboothiri, Director, School of Photonics, CUSAT.

The Department of Electronics conducted a one-day workshop on Personality development for the final year students last year. Prof. Samson, BMIM, Thrikkakkara was the resource person.

The Department of Commerce arranged a seminar for UG students regarding Air Hostess: A career option on 23rd July, 2008.

Department of Biotechnology conducted a workshop on Animal Inoculation which was demonstrated by Dr. Elyas K.K, Department of Biotechnology, CUSAT.

Department of Biotechnology conducted a Seminar on Microbial Biotechnology- Future & Prospectus on 11 November 2008. The resource person was Dr. Mohammed Thaha.

The NSS Unit ("NOT ME BUT YOU") ... our peerless performers

The NSS Unit of our college expresses the essence of democratic living and upholds the need of selfless service. The Unit has been functioning since 1996. In December last year, the Unit conducted a 7-day camp in the Edathala Panchayath. The camp instilled among the volunteers community orientation and dedication. Many programmes centering on social welfare, environmental awareness, Yoga & fitness were part of the activity.

Honours and rewards ... in plenitude

Dr. P.A. Fathima has been nominated to the following positions.

Ibrahim Salim, Dept. of Computer Applications is awarded M.Phil in Computer Applications by Bharathiar University for his dissertation titled **Data Mining - clustering using PCB Techniques.**

Priya C.V, Dept of Computer Applications is awarded M.Phil in Computer Science for her dissertation titled **Application Oriented Security framework based on Authentication and Access Control.**

UGC supported Minor Projects ... our idée fixe

Isolation of serine protease inhibitor from mushroom and its application as a biocontrol agent: Department of Biotechnology, principal investigator- Mr. Manzur Ali P.P.

Microbial chitinase-isolation purification & characterization: Department of Biotechnology, principal investigator- Mrs. Mini. K. Paul.

Financial Management of Higher Education with special reference to B-Schools of Kerala: Department of Business Administration, principal investigator- Mr. Ajims.P. Mohammed.

Sensor Networking on Accident Sensation in Road traffic: Department of Computer Applications, principal investigator- Mr. Ibrahim Salim

Career Oriented Programmes (UGC Supported) ... nulli secundus

The Department of Business Administration offers a course on **Computerized Accounting and Taxation** for UG learners. The Department of Computer Applications offers a course on **Advanced Programming** for UG learners. Recently the UGC has sanctioned a course on **Electrical and Electronic Equipment Maintenance.** The course is all set to begin.

M.E.S DESASURAKSHA-SAMADHANA-RALLY

The M.E.S Desasuraksha-samadhana-rally was another important event in this academic year. Various educational institutions of Muslim Educational Society came together to protest against the 26/11 terrorist attack on Mumbai. Our institution led from the front to organize a rally in Aluva town on December 5th 2008 which comprised of all stakeholders of the institutions such as members of the Management committee, principal, department faculty, office staff, students of various courses etc.

The rally after encircling the town, ended in front of the railway station square. The meeting convened in the square was inaugurated by Dr. Sebastian Paul, M.P, Ernakulam. The meeting was presided over by Mr. K.M.Shamsudheen, Chairman, MES College, Marampally. The resolution against terrorism proposed by the Principal Dr.P.A.Fathima was formally accepted. Prof. P.O.J. Lebba, General Secretary MES and Member Syndicate, CUSAT addressed the gathering. Many eminent leaders cutting across all political parties spoke at the function.

The message is clear. We stand by the hapless victims of the attack, we are against all forms of anti-national activities, we salute those who have laid down their lives for the country and we desire permanent peace.

Student Achievements

...we hold our head high

Shymol T.V.	MCA	1st rank
Thabassum Nazeer	BBA	1st rank
Divya Hari	BSC (ECH)	1st rank
Rency Mathew	BCA	3rd rank
Neema.K.Hamza	BSC (ECH)	3rd rank

For various activities outside the campus our MBA students got the following prizes

- 1st prize for Radio Jockey Competition held at CUSAT.
- 1st Prize for Business Quiz held at IBS Kochi.
- 1st Prize for Stock Game held at Mar Thoma College of Management and Technology, Perumbavoor.
- 11nd prize for the Environment game held at FISAT.
- 111rd Prize for Business Quiz held at Rajagiri School of Management Studies.
- 111rd Prize for Business Quiz held at Mar Thoma College of Management and Technology.

Our Ball Badminton Girls' Team has been placed third in the Intercollegiate M.G. University Ball Badminton Championship last month.

Extension services & training programmes ... 'out of the box thinking'

The Electronics Dept conducted a Computer Hardware and Networking workshop on 28th, 29th, and 30th June last year for the Physics undergraduate students of neighboring colleges. The Dept also launched a Diploma Course on Embedded Systems & PCB designing, which was a six month duration programme. As part of extension work, the department conducted a two-day training programme on Computer Hardware at Govt. Vocational Higher Secondary School, Pallarimangalam on 10th and 11th March last year with the support of faculty, staff and Alumni. The Dept arranged a two day workshop on Garment Making and Fabric Painting for the MSc students, last year. Santhwanam, the forum for social work of the dept, continued its good work in various fields such as uniform distribution for needy school students, arrangement of provisions chiefly as essential food commodities were given to needy families during the festivals etc.

The Computer Applications department organized extension services like Computer Literacy for the school students (Navabodhini) and women in various kudumbashree units (Vanithabodhini). The programme is held during April every year. The department conducted seminars on VB6, .net, J2EE, Hardware and Networking etc. Recently they arranged a two day workshop on Hardware Awareness for final BCA and MCA students.

Every year voluntary services are provided by a team of teachers and trained students of the dept for the smooth deployment of the Hajj registration software conceived and developed by the dept faculty Mr. Murugan.R.

Last year, the Department of Commerce arranged practical training on soap powder manufacturing for women of the ward I of Vazhakkulam Panchayath. The department also organized a training programme for non-teaching staff for using TALLY.

Alumni Day ...memory builds togetherness

The college conducts the Alumni day on 26th January every year. The college is relatively new to have an illustrious list of members now. The first batch of students passed out from here in 1998. However, within this period many of our former students are already placed in respectable positions. From 2003-04, we conduct our Alumni day yearly and try our best to keep our good old students to be in touch with us. The possibility of linking Alumni with industrial placement and meritorious student scholarship is not too far.

Down the memory lane ... a mélange

Inauguration of MES College Marampally by Minister for Education, Govt. of Kerala, Mr. E.T. Mohammed Basheer 1995

Inauguration of the Union Activity by Dr. V.N.Rajashekharan Pillai, former Vice Chancellor 1996

MES College Marampally Hajj Camp 2000, 2001

NAAC Peer team visit 2004

UGC sponsored National Seminar (Biotechnology) 2005

One-day NAAC sponsored seminar 2006

UGC sponsored National Seminar on Human Rights 2007

MES Central College Committee Meeting December 2008

Visit of Dr. K.K. Unus Kutty, Pro-Vice Chancellor, M.G. University, 2005

Paper presentations ...faculty non pareil

Mr. Sabu M.K. presented a paper on A Rough Set Approach to handle Missing values in incomplete Decision table at the Second International Conference on Cognition and Recognition held at P.E.S College of Engineering, Mandya, Karnataka.

Mr. Ajims .P. Muhammed presented a paper titled Challenges faced by Kerala Tourism Industry at a National Conference on Tourism in India: Challenges Ahead, jointly organized by IIMK and IIM Lucknow from 15th to 17th May 2008.

Mr. Ajims .P. Muhammed presented a paper titled Information Security and Privacy Controls in Banking Systems at an International Conference on Recent trends in Computational Science, organized by TOC-H Institute of Science and Technology from 11th to 13th June 2008.

Mrs. Leena. C. Sekhar and Mr. Anwar Sadath jointly presented a paper titled Encryption Algorithms for Wireless Sensor Networks at an AICTE sponsored National Seminar held at Coimbatore Institute of Management and Technology, Coimbatore on 28th June 2008.

Mrs. Priya C.V presented a paper titled An Object Oriented Security Model Based on Authentication and Role Based Access Control at an AICTE sponsored National Seminar held at Coimbatore Institute of Management

and Technology, Coimbatore on 28th June 2008.

Mrs. Priya C.V and Mrs. Neetha Daly jointly presented a paper titled Information Extraction: An Inevitable Step in Text Mining at an AICTE sponsored National Conference at MACFAST Thiruvalla on 28th July 2008.

Dr. Muralikrishnan.T.R presented a paper on Translator as Reader: Phenomenology and Translatedness at a National Seminar on Language and Literature, conducted by Karunya University, Coimbatore on 27 November 2008.

Dr. Muralikrishnan.T.R presented a paper on Malayalam for Administrative purposes: the contemporary scenario, in a three-day International Seminar, on 26th February 2008, jointly organized by the Department of Linguistics, University of Kerala and Southern Regional Centre, CIIL, Mysore.

The paper prepared by Mr. Sabu M.K titled Rough Set Approaches for Mining Incomplete Information Systems submitted to the International Conference on Intelligent Computing held at Shanghai, China has been published by the organizers dated September 9, 2008 which is now part of Lecture notes on Computer Science available in the website of Springer series.
